Many thanks to the parents who have previously offered assistance at our meetings. We hope many of you will be able to do so again and would be grateful if you could let me know your availability and any particular dates that you can/cannot make. I will then send out a provisional parent rota for the term. If anyone else is able to assist attending occasional meetings please let us know as the additional assistance increases the activities that we are able to offer to the Beavers.

Certain of the evening activities will involve food (generally a favourite of the boys!) so please ensure that we are aware of any food allergies.
