### Spring and summer Term 2022

We hope the Beavers have been enjoying their activities so far this year. Our provisional programme for the remainder of the academic year is set out below. A number of items are dependent on external factors so this may be subject to change – we will keep you informed.

We would like to reintroduce a parent rota whereby we have a parent helper at meetings as appropriate, so if you are able to help at all, please let us know your availability so that I can arrange a rota
